It is with great sadness that I share the news of the passing of Jill Engelman, a member of our Chapter and one of the founders of the Check It Out Breast Self Exam program. Below is information about an educational fund the family has set up in Jill's memory. May her memory be for a blessing.

## To the friends and family of Jill Stenzler-Engelman , ז"ל

Jill Stenzler-Engelman, of blessed memory, was a beacon of light to all who knew her.

Passionate about her family, friends, and Hadassah, she made her long fight with ovarian cancer meaningful through Hadassah programs which educated young women about Breast and Ovarian Cancer, and probably saved many lives in the process.

In her honor, her beloved husband Greg Engelman and daughters Leigh and Aimee have established the

**"Jill Stenzler-Engelman Health Education Fund"**

to benefit Hadassah's US based Women's Health Education programs around the country.

Those wishing to make a contribution to Hadassah in memory of Jill are asked to make a donation to this ongoing fund.
