New York, New York 10005

Dear Ms. Hershkin,

Thank you for the support Hadassah has given to the Research for All Act.

We need partners like Hadassah helping to bring gender equality to medical research. Hadassah has been a real leader raising awareness that men and women are not treated equally in health research. Science needs to serve both men and women, and Hadassah's support for the Research for All Act will help us reach our goals.

Thanks again for your help. Keep up the great work.

Sincerely,

Jim Cooper
Member of Congress
