

GUN CONTROL

1 Hadassah, the Women's Zionist Organization of America, deplores the on-going scourge
2 of shootings plaguing our schools, workplaces and communities nationwide. We believe
3 that the widespread availability of, and easy access to, firearms significantly escalates this
4 violence.

5

6 Hadassah has long been a strong supporter of strict legislative gun control initiatives and
7 believes that current laws do not go far enough, nor are enforced rigorously enough, to
8 help prevent gun violence.

9

10 Therefore, Hadassah urges Congress and state legislatures to promptly enact stronger gun
11 control legislation, and enforce current laws, that will protect our communities and our
12 nation.
