PROSECUTION OF NAZI WAR CRIMINALS IN THE UNITED STATES

Hadassah, the Women's Zionist Organization of America, expresses its confidence that U.S. officials will continue to move vigorously to ensure that every possible step is undertaken in the investigation and prosecution of alleged Nazi war criminals living in the United States.

We are pleased to note new initiatives for action against former Nazis through the Office of Special Investigations in the Criminal Division of the Justice Department which has now been provided with substantial funding and staff.
