

Statement adopted at the 67th Hadassah National Convention

AMERICAN AFFAIRS

ECONOMIC AND SOCIAL JUSTICE

Hadassah, the Women's Zionist Organization of America, has traditionally been committed to the Jewish ideals of a just society and the well-being of all its members.

As most Americans, we are keenly aware of the deleterious effects of inflation and the need for reductions in federal spending, and support budget cuts aimed at eliminating wasteful and ineffective programs. However, we believe that some of the Administration's budget cuts will seriously affect the well-being of some of our most disadvantaged citizens.

We hope that the President will fulfill his pledge that government support will not be denied to the needy.
