WOMEN'S RIGHTS

Hadassah, the Women's Zionist Organization of America, continues to support an Equal Rights Amendment as essential to strengthen and enhance the position of women, and we pledge our efforts to secure its adoption in the future.

As growing numbers of women enter the work force, we recognize the need to eliminate discrimination and for adequate legislation to ensure their economic equality and security.

Hadassah will continue to support vigorously all efforts to ensure equality for women on the local, state and federal levels.
