

Statement adopted at the 70th Hadassah National Convention

AMERICAN AFFAIRS

San Francisco  
August 1984

WOMEN'S RIGHTS

Hadassah, the Women's Zionist Organization of America, reaffirms its support for the Equal Rights Amendment. We believe it is essential for the strengthening and enhancement of the position of women. We call upon the states which have not yet adopted the Amendment to do so immediately.

We call upon all our members to actively support all efforts to ensure equality for women on the local, state and federal levels, and to support legislation to safeguard their economic equality and security.
