VOTER REGISTRATION AND PARTICIPATION

Hadassah, the Women's Zionist Organization of America, is concerned about the precipitous decline in numbers of Americans, Jews as well as non-Jews, who vote. This precious right can be preserved only by an electorate who cares enough to protect it.

We support measures to establish easier voter registration in order to remove barriers to fuller election participation.

Hadassah strongly urges its members, as well as the entire community, to register and vote in the November election so that American concerns will continue to be addressed in our democratic system.
