

GUN CONTROL

1 Hadassah, the Women's Zionist Organization of America, Inc., deplores the current nationwide  
2 rash of violence plaguing our schools and our communities. We believe that the widespread  
3 availability of and easy access to firearms significantly escalates this violence.

4  
5 Hadassah has long been a strong supporter of legislative gun control initiatives, such as the  
6 Brady Bill. However, we believe that current measures do not go far enough.

7  
8 Accordingly, Hadassah urges Congress to recognize the current crisis in our schools and  
9 communities due to violence with firearms and to take all necessary actions to enact stronger gun  
10 control laws that will protect our nation, and especially its children, from such violence.
