Race for the Cure around the walls of Old Jerusalem when Hadassah and Susan G. Komen for the Cure® take the fight against breast cancer to Israel.

Hadassah, Komen for the Cure, and the municipality of Jerusalem present the first-ever Israel Race for the Cure®--a highlight of the October 25-29 Israel Mission Delegation to help ignite the breast cancer movement in Israel.

Our team is the HADASSAH HEELERS, and we're running for our lives. Ashkenazi Jews are ten times more likely to carry the BRCA gene—a risk factor for developing breast cancer at some point in their lifetime—than non-Jews. Hadassah Medical Organization continues its groundbreaking research into the prevention and treatment of breast cancer.

Find out more and register for the race—in person or virtually—for a mission or to be a sponsor at [www.hadassah.org/komen](http://www.hadassah.org/komen). Be sure to register as a Hadassah Heeler; sub-teams have been set up. Travel packages are available. Join the HADASSAH HEELERS now!
