HADASSAH

This is a crucial conversation. That's why we launched **Defining Zionism in the 21st Century**, Hadassah's provocative video series. Each month, we add a new speaker, sharing diverse perspectives. All are available in easy-to-share mini segments, designed to start conversations.

Help create new norms around civil discourse and mutual respect in conversations about Zionism and Israel's future. These conversations will have the greatest impact if members and supporters like you watch, discuss, and share—via email, social media, or your living room.

Our November speaker, for example, is **Hen Mazzig**, on "Making Zionism a Model for Everyone."

Hen Mazzig is a young, energetic Israeli - a writer, international speaker, social media activist and advocate for his country. He worked as an intermediary between the IDF, the Palestinian Authority, the UN, and the many non-governmental organizations that work in the West Bank. For the last two years, Hen led the Israel Education Department at StandWithUs Israel and has shared his story with thousands of students throughout the USA, Canada and the UK.

Past recent speakers include:

- **Brooke Goldstein**: Using the Legal System to Counter Israel's Adversaries.
- **Caroline Glick** and **Rob Eshman**: Zionism Is Not in Crisis (filmed live at Hadassah's 98th National Convention)

Whether you host a small discussion, a community event, or lead a conversation, we've got all the tools to engage others who, like you, care about the future of Israel.

*Watch. Discuss. Share.*
