

The Birthday/Anniversary Club A "CHAI" for yourself

How to celebrate our own birthday
Let us do it in a rhyme.
It is a special day for each of us
Each one of us, at a different time;

We owe it to ourselves
To have a private celebration.
Let us donate to Hadassah
A gift - with no reservation.

When celebrating special dates
Another one comes into play
Let us do it for our anniversary
That is another special day.

So join this private special club
A check for each...just once a year.
CHAI -- that is only 18 dollars for each
To an organization we hold dear.

Become a member, come on, join in
A Chai check - do not be late.
This once a year donation
Celebrating your birthday or anniversary date.
