

Park Slope Hadassah mourns the death of our beloved sister Brenda Rosenbaum, who gave much time and effort to our mission. Brenda was our membership chair, education chair and treasurer for both Park Slope and Brooklyn Region. She started the successful Women Who Learn book club. Brenda was a kind, generous and strong person who faced adversity with courage.

We are extending the deadline for journal ads until October 18th so that you can place ads in Brenda's honor. Please **e-mail** your ad directly to Esther (elefkowitz@hadassah.org) at the Region Office. Checks made out to Hadassah should be mailed directly to the office.
