CHANGE SERVICE REQUESTED

TO ALL OUR HADASSAH MEMBERS

In January 2018 we are changing the management structure of our Chapter in an effort to reduce the need for a President. This will create a flatter administration and involve a Steering Committee, a Leadership Team, and many smaller roles. As this is our first effort at this, we assume it will evolve over time with a few glitches. There will no longer be monthly board meetings of everyone but instead only those on the Steering Committee.

The Steering Committee will have monthly meetings and be responsible for the following:

- Keeping a Master Calendar
- Creating the Monthly Agenda
- Communication with the Leadership Team, etc.
- Approving and coordinating events and programs with Calendar
- Providing a resource to support above
- Coordinating bulletin, flyers, public relations & calendar
