SABBATH

Continuing our popular series of classes in cooperation with the Contemporary Jewish Museum, join us for an exploration of the Sabbath.

The Sabbath, a central concept in the Jewish tradition, is a pillar of many religions and colors our view of time.

The Contemporary Jewish museum features an exploration of the Sabbath: what is the significance of the fourth commandment and how does it influence our world?

Please join us as a CJM docent guides us through a preview of the collection, highlighting works from some of the 57 featured artists.
