JEWISH AUTHORS WITH JOYCE MOSER

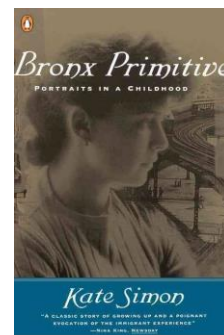

Sequoia Hadassah is thrilled to welcome back Dr. Joyce Moser for another outstanding class. Joyce will present and discuss two fascinating readings:

Bernard Malamud's "The Last Mohican," a story that according to Stanford Professor John Felstiner "straddles humanness and Jewishness."

and

Katie Simon's award-winning memoir,
Bronx Primitive: Portraits in a Childhood.

Joyce will lead a discussion and provide insightful analysis from her vast knowledge of Jewish authors, past and present.

Come learn and join the conversation.
