CONTEMPORARY JEWISH STORIES

Presented by

RABBI MELANIE ARON

We will be reading stories written by JEWISH WOMEN writing in CONTEMPORARY EUROPE including Italian writer Clara Sereni and Russian writer Ludmila Ulitskaya.

Almost wiped out during WW II, European Jewry revived after the war. The community received a further boost from the immigration of Mizrachi Jews from North Africa and more recently from the influx of Jews from the former Soviet Union. These stories gives us insights into the tensions and struggles of their lives.

RABBI MELANIE ARON has been serving Congregation Shir Hadash since 1990. She has served on boards and committees too numerous to mention here. She currently serves on the board of the American Leadership Forum - Silicon Valley and the Jewish Federation of Silicon Valley. Rabbi Aron has been teaching classes on Jewish writers for many years and we look forward to her class with us.
