The Broadway Production of Rent asks, "How do you measure a year – in daylights, in sunsets, in midnights, in cups of coffee? In inches, in miles, in laughter, in strife?" Come to our Winter meeting to share a common vision: how our Chapters have supported the life-saving and life-changing goals of Hadassah. Meet with the incoming Region leaders and Chapter members. Let's build the future together.

Nancy Falchuk will motivate us with updates on Hadassah Medical Center's stem cell research breakthroughs in treating ALS and MS, age-related macular degeneration, and diabetes. She will talk about the future for regenerating heart cells, personalized treatments for cancer, liver regeneration, and drug therapies.

Registration deadline February 17, 2017.  
Mail check payable to **Hadassah** to
