

Israel Affairs Series

The Israel Affairs Series is a result of response to the Thriving Jewish Community initiative that took place several years ago in our area and explored the question "what would you like to see in our local Jewish community?" One of the items on the resulting wish list was Israel related programming. It is in response to this request that Beth El Adult Education Committee has arranged a series of speakers discussing Israel Related topics.

Brought to you from **Congregation Beth El** in cooperation with **Congregations B'nai Israel & B'nai Torah, Chabad of Fairfield and Fairfield Hadassah** with a grant from Federation for Jewish Philanthropy of Upper Fairfield County. Our presentations will take place once a month from January to May, 2016 at Congregation Beth El at 7:30 PM.
