present

Joanne Caras

**Creator of the Holocaust Survivor Cookbook,
Collected from Around the World**

This is not a regular cookbook. It is not only a collection of recipes, but rather a memorial to Holocaust victims, creating a legacy for future generations. Essentially, the memory of their families and friends who did not survive live on through these recipes and are a testament to the courage of the survivors. Each recipe reminds us of the taste of home cooking remembered by the survivors.

Joanne will share the incredible story of how she created this book, and its sequel, Miracles & Meals. She will relate several of the miraculous stories that appear in these books – a collection of recipes and stories from over 240 Holocaust survivors.

All profits from cookbook sales are donated by the Caras family to charity; most recently to the Carmei Ha'ir Soup Kitchen in Jerusalem, serving 500+ meals a day. Both cookbooks will be available for purchase at the event.
