

With just a month to go, volunteers are needed for the 2016 Stamford JCC Maccabi Games and ArtsFest!

At the heart of JCC Maccabi is the mission to bring Jewish teens together, and this is our opportunity to welcome 1500 guests along with 150 Jewish teens from Fairfield County to experience **one of the largest Jewish youth events in the world - in our own back yard.** The JCC Maccabi Games and ArtsFest will also require the **guiding hands of over 1,000 volunteers.**

Here's where Hadassah can play a Part@Maccabi!!
Hadassah will serve lunch and dinner together on Monday,
August 8th. Can you join us?
Food Servers – Shifts are:
Lunch shift is 10 am -2:30 pm
Dinner shift is 5 pm -9 pm

As Food servers will assist with crowd control, replenishing supplies and food, as well as light cleanup at the hub each day. We know, as Hadassah Volunteers, we'll be cheerful and helpful to all of the visiting guests and local participants

So. Please sign up – directions below.

Thanks for your Time and Commitment to our Community and our Teens.
