Chaim Solomon is a leading teacher for The Kabbalah Centre.

Part of Chaim’s unique ability to relate this ancient wisdom to a modern audience is his time spent at UCLA pursuing Biology and Premed Studies, as well as ten years studying various metaphysical teachings such as Religious Science, Science of Mind, in which he became a licensed practitioner and minister, Theosophy, Keys of Enoch, Buddhism, Upanishads, and the Bhagavad Gita.

All of this wisdom is brought to bear in Chaim’s work with students, his specialty being health, relationships, reincarnation, dreams, and meditation. He leads sold-out seminars internationally and counsels students privately each week. He has taught in major cities around the world, including New York, Toronto, Mexico City, Los Angeles, London, Rio de Janeiro, Sao Paulo, Lisbon, Chicago, and Miami.
