

Shalom Chaverim,

The summer has come and I hope you all have plans for some fun. I wanted to let you know about some of our events and activities.

There were 26 of us at the June 1st mahj and lunch at Countryside Country Club, where we raised more than \$400 to go to our annual goal. We are planning another **mahj and lunch for July 13th**. The cost is just \$25. Please rsvp to Terri Tankel.

Many thanks to Melissa Bernstein for all her work on the 2016-17 membership directory, which will be distributed at the **membership brunch on Sunday, August 21st** at East Lake Woodlands Country Club. We hope you will attend, but if you are unable to, please send me an e-mail and we'll send the directory to you by mail. Also, if you see a mistake, please contact us with the correct information so we can update both our records and National's. Due to the high cost of mailings most of our correspondence is via email.

We are planning an educational program in September and a Sukkot program at Terri Tankel's Sukkah in October. Also, on **October 13th**, the Laufer Institute of Plastic Surgery in Dunedin will host a **fundraiser** featuring the sale of the remaining art work from both TaTa events. All proceeds will go towards **Breast Cancer Research**.

The **Hadassah 98th National Convention will be held July 25 -28** in Atlanta, GA. If you plan on attending, please let me know. So far, Ruth Gileadi is the only delegate representing Lylah.

In chapter news, our sympathy goes to Jody Sherman and her family on the passing of her mother, Joyce Dillon. We wish a hearty Mazel Tov to Monica DiGiovanni on both the birth of her grandson on May 27th and the announcement that her daughter is expecting her second child in December. We also send get well wishes to Monica, as we do also to Barbara Baccari.

Hope you all have a wonderful summer. Stay safe wherever you are. We're looking forward to seeing you in August.

Shalom,
Sally Laufer
President,
Lylah Chapter of Hadassah
