2018-2020 Member Directory

Ladies,

A new membership directory will be assembled over the summer and will be available at our first meeting in the fall. If any of your information has changed or is incorrect in the current directory or if you were not a member in 2016, when the directory was published, it is essential that you fill out this form in its entirety and return it to us by mail or email no later than June 20, 2018. If you do not return this form, information provided by National will be used.

Please make sure that you include your email address. Costs of printing and mailing have become prohibitive and we are using email to deliver important and time sensitive information to you in a speedy and cost effective manner. All information coming from National and Regional is email only.
