

PALM COAST HADASSAH

Presidents Message

I would like to thank Audrey Rosen for hosting our Tzedakah Lunch at her home. This is the third year she has been our hostess and has made wonderful soups and salads and desserts. There were 20 ladies and we all had a wonderful time. We were able to eat and smooze and make new friends. Thank you to everyone who donated to this event. We made \$402.

On March 18 there will be a Hadassah Shabbat at Temple Beth Shalom. It starts at 7:15 PM and anyone who wishes to participate please get in touch with me. Rabbi Zev will be giving us parts to read. There will be an oneg sponsored by Hadassah after services. We now have a website. Region has put together a website where we can go to obtain information on various Hadassah Chapters. Go to www.hadassah.org. Click on Find a Chapter at the top of the page and scroll down to Florida Central. This takes you to the Florida Central web page and then scroll down to OUR CHAPTERS and click on our chapter.

Who was Henrietta Szold?" Hadassah women give voice to her life. Hadassah women channel Henrietta Szold by lending their voice to this Woman of Valor.

A timeline of her exemplary life spans from her birth in 1860 in

Baltimore to her death in Jerusalem in 1945. She enlisted generations of American Jewish women in supporting Jewish settlements in Palestine and Israel. Raised by her Rabbi father, she became committed to Jewish tradition & scholarship and created a new world of opportunity for Jewish women. She created the infrastructure for a modern medical system in Palestine serving both Jews & Arabs. She directed Youth Aliyah, bringing thousands of children from Germany & Europe to agricultural settlements in Palestine. A pacifist, she affiliated herself with B'rit Shalom (Covenant of Peace) calling for a bi-national state for Arabs & Jews. Hadassah emerged from a Zionist movement to fund & send nurses to Palestine on Purim. In March 1913, they opened an office in a rented Jerusalem house identified by a Hebrew & English sign that read "American Daughters of Zion, Nurses Settlement, Hadassah.

IMA

Dear IMA Sisters,

Our IMA lunch for February was held at the Chicken Pantry. The number of ladies who attended was fewer than usual due to illness or being out of town. For the eight ladies who attended, it was an enjoyable social experience but mixed reviews on the food. The next IMA lunch for April has not been decided.

Hopefully, with the warmer spring weather, outside dining may be a good plan. Ladies, please remember your annual IMA donation. You may send your checks to Phyllis Meinsen. See you soon at one of our upcoming Hadassah events!

Hadassah Book Club

The November meeting of the Hadassah book club was held at Michele Orłowski's home to discuss "Devil in Jerusalem". Again we're happy to report a good turnout of ladies and Michele did an excellent job of leading the discussion and providing noshes. Notices of future book club meetings will be forthcoming.

To make us laugh- each newsletter we will have a joke by EVA

An old geezer became very bored in retirement and decided to open a medical clinic. He put a sign up outside that said: "Dr.Geezer's clinic. Get your treatment for \$500, if not cured, get back \$1,000."

Doctor "Young," who was positive that this old geezer didn't know beans about medicine, thought this would be a great opportunity to get \$1,000. So he went to Dr.Geezer's clinic.

Dr. Young: "Dr.Geezer, I have lost all taste in my mouth. Can you please help me ??"

Dr. Geezer: "Nurse, please bring medicine from box 22 and put 3 drops in Dr. Young's mouth."

Dr. Young: Aaagh !! -- "This is Gasoline!"

Dr. Geezer: "Congratulations! You've got your taste back. That will be \$500."

Dr. Young gets annoyed and goes back after a couple of days figuring to recover his money.

Dr. Young: "I have lost my memory, I cannot remember anything."

Dr. Geezer: "Nurse, please bring medicine from box 22 and put 3 drops in the patient's mouth."

Dr. Young: "Oh, no you don't, -- that is Gasoline!"

Dr. Geezer: "Congratulations! You've got your memory back that will be \$500."

Dr. Young (after having lost \$1000) leaves angrily and comes back after several more days.

Dr. Young: "My eyesight has become weak --- I can hardly see anything!!!!

Dr. Geezer: "Well, I don't have any medicine for that so, " here's your \$1000 back." (giving him a \$10 bill)

Dr. Young: "But this is only \$10!

Dr. Geezer: "Congratulations! You got your vision back! That will be \$500."

Moral of story -- Just because you're "Young" doesn't mean that you can outsmart an "old Geezer"*

Remember: Don't make old people mad.

We don't like being old in the first place, so it doesn't take much to annoy us.
