THE POWER OF

GIVING

**Hadassah announces
Benefactor of Peace pin/pendant
in recognition of gifts of \$18,000-\$35,999.**

Hadassah hospitals have always stood as a beacon of peace in Israel and the Middle East, treating all people in need of healing, regardless of religion, race or nationality.

In celebration of Hadassah's commitment to peace through medicine, we introduce the new **Benefactor of Peace** pin/pendant. It features a soaring dove carrying an olive branch, the universal symbol of peace. Encircled to represent our hope for a unified world in which all people may one day live in peace, this stunning work is made of sterling silver with a sapphire "eye."

With your gift of \$18,000-\$35,999 (payable over 3 years) to Hadassah, the Women's Zionist Organization of America, you will be eligible to receive this pin-pendant (fair market value of pin is \$250 which represents the non-tax deductible portion of your gift).
