

Shalom,

Our GSW Region was well represented at Hadassah's National Assembly, National Health Summit and Day on the Hill in Washington, DC May 14 – 17, 2018. There were 14 of us from Dallas, Ft. Worth, Friendswood, Houston, McAllen and San Antonio. Eight women received region grants to attend. Look for their terrific reports about their experiences in our summer region bulletin. Each of them will be planning a unique health program in their chapters (San Antonio, Dallas and Houston). A special treat for our group was visiting with National Assembly member and former GSW President Sonia Raizes who moved from Houston to Chevy Chase, MD, this past autumn.

Back in Texas..... Dallas Chapter has great plans for their big fundraiser in October. Area VP Esther Friedman and I spent two days there and enjoyed working with 25 women on the Dallas Chapter board and the event committee. What a terrific group of volunteers!

Please answer these questions:
