MIRACLES ALL AROUND US BIG/MAJOR GIFTS EVENT

Houston Chapter of Hadassah invites members to attend the Major Gift Hanukkah party, "Miracles All Around Us" on Thursday, December 7, at 6:30 pm at the Czech Center Museum, 4920 San Jacinto at Wichita. As featured speakers for the event, the Weismarks will recount how Hadassah Hospital provided miracles for them. It was "beyond expectations from anybody," according to Ilana.

Ilana Weismark needed a miracle. She was coding and clinically dead for several minutes during delivery of her first child, but the hospital staff wouldn't give up. They saved her baby, and now they were determined to help the young mother survive. Luckily, Weismark was at Jerusalem's Ein Kerem Hadassah Hospital, whose first-rate medical staff performed emergency surgery on her, put her in a medically induced coma for two days, and saved her life.

The party includes a kosher-style buffet dinner, including delicious latkes, catered by Jenny Tavor. Valet parking will be provided. Couvert for the "Miracles All Around Us" event is \$72 after a minimum donation of \$500. To register please send a check to the Hadassah office, 24 Braeswood Square, Houston, 77096. Make checks payable to Houston Hadassah, and write "Major Gift Event" on the envelope and on the check's memo line. Alternatively, register online at <http://hadassah.org/events/biggiftsevent>. Your attendance will help Hadassah Hospitals bring light to future generations.

PRESIDENT'S COLUMN

Sandra Smith

It's November! And the return to Standard Time, which reminds me about turning points in time when your world and everyone else's spins off in a new direction. For instance: the day you met/married your spouse, the day your child was born, September 11, 2001 when the World Trade Center and the Pentagon were attacked. I can remember exactly where I was and what I was doing when I heard President Kennedy had been shot on November 22, 1963. Americans remember their special turning points in time – July 4, 1776, November 11, 1919 at 11:11 am, December 7, 1941. Jews should remember Kristallnacht on November 9-10, 1938. But all Jews, all Hadassah members especially, should always remember one pivotal date 70 years ago.

On November 29, 1947, the UN General Assembly passed Resolution 181 calling for Partition of the British-ruled mandate of Palestine into the Jewish State and the Arab State. Passage of the resolution was by no means a foregone conclusion. Perhaps you, your parents or your grandparents listened to the radio and kept score as the member countries were polled one by one from Afghanistan to Venezuela. The 33 countries that cast a "Yes" vote were: Australia, Belgium, Bolivia, Brazil, Byelorussia, Canada, Costa Rica, Czechoslovakia, Denmark, Dominican Republic, Ecuador, France, Guatemala, Haiti, Iceland, Liberia, Luxembourg, Netherlands, New Zealand, Nicaragua, Norway, Panama, Paraguay, Peru, Philippines, Poland, Sweden, Ukraine, Union of South Africa, USSR, USA, Uruguay, and Venezuela. Ten Muslim countries plus Greece, predictably voted "No": Afghanistan, Cuba, Egypt, Greece, India, Iran, Iraq, Lebanon, Pakistan, Saudi Arabia, Syria, Turkey, Yemen. An additional 10 abstained: Argentina, Chile, China, Colombia, El Salvador, Ethiopia, Honduras, Mexico, United Kingdom, and Yugoslavia.

We are all aware that the vote to pass Resolution 181 had by no means settled the matter peacefully or conclusively. The State of Israel had to fight for its existence because her Arab neighbors refused to accept the UN's decision. What does this have to do with the Houston Chapter of Hadassah? Everything! We established the healthcare system of Israel when it was still part of the Ottoman Empire, nurtured its clinics, hospitals, and youth rescue villages through the British Mandate and saw to it that the modern State of Israel would be born with necessary infrastructure. Hadassah was prepared for November 29, 1947.

With the change back to Standard Time and the beginning of all our Fall and Winter holidays, we are reminded to check our calendars for upcoming events. Houston Chapter of Hadassah has a full calendar starting with our Big/Major Gifts Hanukkah Party December 7 at the Czech Center. Then on January 14 we will have The Big Reveal for Breast Strokes, Hadassah Bares All for A.R.T. (awareness, research, treatment) that we'd postponed because of Harvey. Plan to attend with all your best friends and significant other to see the art, enjoy the music and food, and support Hadassah's medical research and treatment. Mark your calendar for January 28 and plan to join us for High Tea and our Chapter Installation.

As you set your clocks back Sunday night, November 5, I ask you to think about that pivotal moment in time on November 29, 1947 when it all began for the State of Israel. That turning point in the fate of the Jewish people of the world separated all that came before from all the glorious future that lay ahead. I ask you to continue your efforts for Hadassah and Israel. Let's keep them both moving forward *b'yachad*, together.

These past few months have been challenging for all of Houston but we are cleaning up and rebuilding. As we all gather with family and friends for Thanksgiving, let's give thanks for the resilience of Houston and the Jewish community. I pray that we never go through something like Harvey again and know it will go on my "mental calendar" as a time I will never forget. What I hope to recall the most, though will not be the flood
