

Shalom Everyone,

Did you receive our gorgeous GSW Region bulletin in the mail? Many thanks to our Bulletin Editor, Debby Rice! We are so lucky to have a professional graphic designer who produces our bulletin with both expertise and love! If you didn't get your copy, call the office at 713-661-1022.

I hope all of you, like me, have Israel on the brain! The plans for the renovation of our original hospital in Ein Kerem, Jerusalem, are fantastic! Jerusalem is growing so fast that we are in a hurry to get the construction going so that we will have 200 more beds ready for the people who need them.

Want to go to Israel and ready to get more involved in Hadassah? If you will commit to taking a leadership role in your group or chapter, you might be the recipient of a \$2,500 subvention for the Milestone Mission to Israel in October.

Check out the details at www.hadassah.org/missions.

Milestone Mission October 7 – 15, 2018

Application for \$2,500 Mission Grant

Hadassah Greater Southwest Region is looking for two emerging leaders who will commit to a step-up in a leadership role. To qualify for this grant, you must show leadership qualities and sign a commitment to:

1. Present a report about your experience to your group and/or chapter.
2. Attend a region board meeting and present a report to the region board.
3. Take a leadership role beyond what you are currently doing. This can be done by chairing an event or taking a group or chapter leadership portfolio.
4. Write an article for your local and region bulletins.
5. Take a picture of yourself at Hadassah Hospital to accompany your article.

This offer is for members who have not been subsidized on any other Hadassah Mission to Israel.

You will be responsible for the remainder of the cost of the land package, transportation and other incidentals. The land package is \$3,495 but there is currently an Early Bird special of \$2,900. We have not been given a deadline or informed how many spots are available at that price.

Please answer these questions:

Have you ever been subsidized on a Hadassah Mission to Israel?
