Dear Member,

Our organization began with our founder, Hentrietta Szold's dream, and she encouraged us to dream big. Because of the power of women who do, our dreams have become extraordinary realities.

The theme of our 2016 National Convention is "The Power of Our Dreams". We will begin our time in Atlanta together with a Region dinner on Monday, July 25th followed by the Gala Opening Plenary and Reception.

If you have never experienced a Hadassah National Convention, prepare to be engaged, inspired, educated, driven to tears, motivated and wowed.

You will attend amazing Plenaries:

- hear about ground breaking medical research direct from our physicians
- meet the patients whose lives we have saved
- hear about Young Judaeans who have become Jewish leaders
- hear about the power of Youth Aliyah
- listen to women who are achieving the dream
- learn more about Gender Equity in Medical Research
- gather political commentary on Election 2016
- discover more about Israeli Security
- learn about American and Israeli collaborations;
- advocate with Hadassah and much, much more!

Achieving the Dream breakout sessions will include Research in the Service to Humanity; Combating violence against women; Fact, Fiction or Innuendo - just what is in our textbooks?; Created Equal: Gender & Leadership in Jewish Communities; Hadassah, playing a role in the United Nations; To be Young, Jewish, Female ... and a Leader; and more.

Participate in *the Power of Hands-on Training*: Learn how to Build Coalitions; Grow your Membership; Combat BDS; Coordinate a Day in the District; Attend a Public Relations Boot Camp ... and more!

So please, save the date, come to Atlanta in July and help us achieve *The Power of Our Dreams!*

To receive subvention from Hadassah Pacific Northwest Region, fill out the form below and send it in by June 1.

Sincerely,

Peg Elefant, President
