

Seattle Chapter Hadassah presents

Healing the World with Innovation

Cocktail Gala ~ Sunday November 8, 2015 ~ Hyatt Regency Hotel, Bellevue

Dear Friends of Hadassah,

The Seattle Chapter of Hadassah is proud to present **“Healing the World with Innovation”** on Sunday, November 8, 2015 ~ 5:30-8:30pm, at the Hyatt Regency Hotel in Bellevue. We are honoring the incredible contributions that the Hadassah Medical Organization (HMO) is making towards medical breakthroughs that are used across the world. Please join our community in supporting this cutting edge global research and teaching.

Serving as the Keynote Speaker, Dr. David Zangen is a leading Pediatric Endocrinology expert and researcher on genome discovery, fertility, diabetes and growth at HMO. He is on the frontlines of the world’s most impactful medical breakthroughs. He will be sharing Hadassah’s successes across multiple medical disciplines and the future of research at Hadassah.

We are thrilled to announce that Naomi and Jon Newman have been chosen as this year’s Honorees. Naomi and Jon have spent over 20 years as leaders in the community, not only stepping up philanthropically but also giving generously of their time in leadership positions on boards, committees and heading organizations. Naomi is a recipient of the Spitzer Young Leadership award and Technion Honorary Fellowship, and now sits on the Boards of Jewish Federation, Holocaust Center for Humanity, Seattle Hebrew Academy, and Northwest Chair of Technion. In her Hadassah role she was a major player in Breast Cancer Exposed and created and co-chaired Seattle Chapter’s Hadassah+ series.

Jon is a founding member of the Wandering Jews at Microsoft, a member of the Shevet Achim Building Committee, a Wexner fellowship graduate and now Vice President of Hillel.

We are creating a beautiful Tribute Book and Program and invite you to purchase a personal tribute to acknowledge the spirit of those Innovators whose life’s dedication is to Heal the World. Please create a tribute to honor Naomi and Jon Newman, family, friends, Hadassah or other medical institutions, or anyone you want to honor to acknowledge the spirit of Innovation and Research. We know that your kind thoughts, best wishes, and invaluable words will remain fresh through the years.

Please take this opportunity to send in your tribute by Friday, October 23, 2015.

You will receive an invitation to **“Healing the World with Innovation”** in the next few weeks, but we welcome your support to create the Tribute Book for this event. Please use the attached form to place your message in the Tribute Book and **“Healing the World with Innovation”** program. *If you’d like to place your add online, please go to the following link: (www.hadassah.org/events/healing) (if it doesn’t load when clicking on the link, then copy and paste into your browser).*

If you need further assistance, please contact the Hadassah office at 425-467-9099.

Sincerely,

Jacquie Bayley and Dana Sugarman Shinar
