

To Whom It May Concern:

**Hadassah Greater Atlanta** is hosting **“Almost Chopped, Hadassah’s Incredibly” Cooking Competition** on **Sunday, January 21, 2018** at Spring Hall, 7130 Buford Highway, Atlanta, GA 30340.

**Four teams** of two “home Chefs” will compete in 2 rounds of cooking. The challenge is for our chefs to take the baskets filled with mystery ingredients, along with the tools provided, to create something that would WOW our celebrity chef judges.

These eight chefs will be battling out for a win, but the real winners will be a brighter future for those suffering with neurological diseases such as ALS, Parkinson’s, Alzheimer’s and MS.

**Hadassah** is a designated 501(c)3 charitable organization. In the United States, Hadassah sponsors women’s health and citizen advocacy programs. Hadassah’s two world-renowned hospitals in Israel demonstrate a strong commitment to patient care and research and serve all those in need, regardless of ethnicity or religious affiliation. We have long been in the forefront of innovative technology and research studies in combating, and some day curing, neurological diseases.

We would appreciate it if you or your business would consider donating a gift certificate to this year’s event. Individuals and businesses that make donations to the Raffle portion of our fundraiser will be publicly acknowledged in all our social and print media and at the event.

Thank you very much for your support of **Hadassah** and the life-saving and life-changing projects it provides.

Best regards,
