

# Hadassah Greater Atlanta is Excited to Form our 2nd Class Centennial Leadership Institute

## What is the Centennial Leadership Institute (CLI)?

CLI is a visionary program developed to provide new and exciting ways to learn, analyze, interact, and lead – empowering each participant with the confidence to meet the challenges and reap the benefits of today's Hadassah, as we look forward to the next 100 years!

## Who are we?

Hadassah, an international organization envisions building a world where Jewish values in action create strong community and an enduring Israel. Our promise is connecting and empowering Jewish women to effect change. Hadassah's Atlanta Chapter was founded in 1916 and has grown strong to 3,700 Members and Associates who deliver on the mission to enhance the health of people worldwide through its support of medical care and research at the Hadassah Medical Organization in Jerusalem. Hadassah empowers its members and supporters, as well as youth in Israel and America through opportunities for personal growth, education, advocacy and Jewish continuity.
