

THE BRAIN & BRAWN

Parkinson's and Multiple Sclerosis Research, Therapies & Hadassah Medical Organization

Join Hadassah Health Professionals for this exciting interactive program

Hadassah Health Professionals is excited to offer another proactive event. *Action* is key to empowering yourself.

One area that is recognized to help Parkinson's is LDGF Gladiators- Boxing. Learn why and how boxing is used to benefit Parkinson's and MS patients and their loved ones. Even if you are not dealing with chronic illness, you will learn a lot from this program.

Program Highlights

- Latest information on Parkinson's and MS
- Cutting edge research and progress of Hadassah Medical Organization.
- Take Action- LDGF Gladiators Boxing to help manage pain & illness

There will be a live demo; Who knows, maybe you will be one of the lucky ones to try it out at the event! Wear comfortable clothes just in case ☺
