Havdalah – Film – Dessert – Café *Members, Associates & Prospective Members*

SERIAL (BAD) WEDDINGS tells the story of Claude & Marie Verneuil who have four beautiful daughters. The couple is well-off, well-educated, well-intentioned, and well thought of. Three of their four daughters have married men... of different religions and origins. The fourth is now engaged to a Catholic. What makes these marriages “bad,” is that the Verneuils are very French, very Catholic, and none of their first three sons-in-law was born in France or is a Catholic.
