

ALISA HADASSAH FROM GRANDMA WITH LOVE

Alisa chapter would like to know if you are interested in sending a Passover package to your grandchildren at college. It is a way to reach out to those we love and show our support while they are away at school. We will send something to eat, something to read, and a whole lot of love!

If interested, please provide us with the information requested below and place in Lock Box #31 at GW, or mail to Rhoda Juskow, 13 Birmingham Lane, Monroe Twp., NJ 08831. The cost will be approximately \$12. We will contact you for further information.
