meetings that educate, and promote such things as good nutrition, heart health, and Jewish culture. Each year we hold a Day in the District to meet with senators and staff. They need to know what HMO does for the world and how we volunteer at Elijah's Promise, Senior Meals, Food Pantry and Diaper Drives. Outreach needs to grow and we are. This helps us to form the kind of partnerships our chapter needs to continue. This year we have been helped by EBHS, Trinity Presbyterian Church, Immaculate Conception, and others.

There will be loads of fun things for families to do such as bounce rides, silent auction, and great food. We'll have lots of goodies, literature, and promotions to inform our neighbors what we contribute to the neighborhood.
