

Stonebridge Community Shiva Minyan and Prayer Book Project

Fall 2015

Dear Neighbors:

The goal of this project has been to provide appropriate concern and respect for our neighbors who have suffered a loss and are in need of the spiritual support and comfort of prayer and was founded by Lynn and Mark Bender and Marilyn and Joel Littman.

Since the inception of this initiative there have been many new residents who have joined the community who may not be aware of this project and hence the need for awareness that this resource exists. There may have been some confusion in a prior email, but the goal now is to purchase some additional books that should complete what we originally set out to accomplish.

*Thank you for your anticipated support,
Lynn and Mark
Marilyn and Joel*

As the Jewish community within Stonebridge has grown so has the need for this project. We are planning to purchase additional Traditional and Reform prayer books (18 of each type) at a cost of \$18.00 per book. Please, we are trying to maximize participation by limiting donations to one per household. If you are interested in donating a book to the project, please place a check in an envelope for \$18.00 made out to Joel Littman along with a note specifying your preference Traditional or Reform and how your name(s) should read in the dedication in Joel's mailbox at 127 Timber Hill Dr.
