Dear Neighbors:

The Shiva Minyan Prayer Book Project is in place. While it is our collective hope that the intent of the project will not be necessary for a long time to come some logistical matters need to be attended to on an ongoing basis so that when the need arises it can be set in motion without adding to anyone's distress.

Please email Joel Littman at jlittmn@yahoo.com with the following information after giving it careful consideration:

Shiva Minyan Leaders:

If you are willing to be designated as a potential shiva minyan leader please forward :

- Your Name
- A readily available telephone contact number
- An email contact address
- **Preference** for either leading a **Traditional** Service (assume egalitarian unless specifically requested otherwise by the family) or **Reform** Service. In most instances the service will be Maariv at approximately 8:00 PM and on occasion Mincha, depending upon the family's request.

If you desire to help us and lead a traditional minyan but need some support or refresher, please contact Joel Littman. You would be doing a great mitzvah for yourself and the Jewish community within Stonebridge. Thank you for considering to step up and become an active participant-leader.

Shiva Minyan Participant:

It would be a great mitzvah to be able to provide a minyan when it is needed.

If you are willing to be designated as a potential shiva minyan participant please forward:

- Your Name
- A readily available telephone contact number
- An email contact address
- **Preference** for either participating at a **Traditional** Service (assume egalitarian unless specifically requested otherwise by the family) or **Reform** Service. In most instances the service will be Maariv at approximately 8:00 PM and on occasion Mincha, depending upon the family's request.

Please respond at your earliest convenience if you want to be listed on this important community resource as a leader and/or participant.

Thank you,
Marilyn and Joel Littman
