

Huntsville Hadassah Happenings

JANUARY - JUNE

Summer
Celebration
Success

More than a dozen people joined the Summer Celebration event in June at Brahan Spring Park & Splash Pad. Kids enjoyed playing on the playground, getting wet in the splash pad, listening to stories, making bubble paintings, and just being with friends on a Sunday afternoon. Parents and grandparents also enjoyed schmoozing and learning about both Hadassah and PJ Library. Every family went home with a free Jewish book courtesy of PJ Library and other treasures courtesy of our chapter.

Hungry for Huntsville Event

More than 20 women gathered to reinvigorate the Huntsville Chapter of Hadassah. Held at the home of Karen Hirsch, the February event featured tasty food, reminiscing, updating of bylaws, and raffles of Jewish-themed cookbooks and Hadassah items. Everyone was excited about the prospects of Hadassah continuing in the Huntsville area.
