questions/discussion with Sven

*This event benefits  
The Jewish National Fund*

Sven Sundgaard, meteorologist on KARE 11 News, travels the world documenting the results of climate change and the affect on our environment and its inhabitants.

Sven will share videos from his research project, "Explore with Sven," to Namibia, Africa; Churchill, Manitoba, Canada; and the Galapagos Islands.

Sven is a member of Shir Tikvah, and has been to Israel a dozen times since 2009. He will be returning to Israel in June.

For more information about this event, contact Phyllis Harris, at [harris101@aol.com](mailto:harris101@aol.com) or Rosa Liberty at [librp68@gmail.com](mailto:librp68@gmail.com).
