from one of the existing designs for your chapter !

R2593, *Branches of Hope*, is our elegant new Rosh Hashanah card, with branches of
meaningful phrases that spread across the front of the card with the continuation of
the tree on the back. Printed on a cream color stock with matching envelopes.

All of Hadassah's attractive and desirable New Year's cards are a meaningful way to
send greetings for the holidays to family and friends while spreading the name of
Hadassah and giving *tzedakah*.
