Gifts of \$36 or more will receive the **360° of Healing** certificate with your name on it or the name of someone special.

Gifts of \$100 or more will receive the Full Circle certificate with your name on it or the name of someone special.

Gifts of \$150 or more will receive a sterling silver necklace inscribed with the famous quote from Hadassah's founder, Henrietta Szold, "There is no ending that is not a beginning."

Gifts of \$1,200 or more will receive a beautiful certificate with your name on it or the name of someone special, and a mezuzah will be affixed to one of the many doors in the Round Building at Hadassah Ein Kerem.

Gifts of \$1,800 or more will have your name or the name of someone special inscribed on a Road to Healing wall tile on a floor in the Round Building.

Significant naming opportunities are available. Contact us at 360degrees@hadassah.org to learn more about the Full Circle Campaign or to make a donation.

January is National Slavery and Human Trafficking Prevention Month, also known as **National Human Trafficking Awareness Month**. National **Human Trafficking Awareness Day** is observed every year on January 11. We encourage you to join us throughout the month as we come together to raise awareness of human trafficking and combine our efforts to prevent it.

Every day, men, women and children are forced, defrauded or coerced into labor or sexual exploitation. Trafficking happens in our communities every day, out of sight and under the radar. While anyone can become a victim of trafficking, women and children are particularly vulnerable. Most often, trafficking victims are run-away or homeless youth; undocumented migrants and marginalized groups and individuals.

Human trafficking is the fastest growing criminal enterprise of this century. There is no typical trafficker. Traffickers can be part of an organized enterprise or can work alone. Street gangs, for example, are known to traffic minors into the drug and sex markets.

Hadassah stands by the right of every woman and child to a life of freedom from coercion, violence and sexual exploitation. We all have the power to combat the disturbing reality of slavery in our midst. For information contact advocacy@hadassah.org for additional info.
