

From Grandma with Love

Shalom:

This package is being sent to you by your Grandma with love and wishes for you to have a very successful college year. For Rosh HaShanah, to sweeten your New Year, this package is filled with apples, honey and some nibbles/nosh.

Your Grandma is a member of the Alisa Hadassah chapter and they have compiled this package on her behalf. Besides the “goodies” there is some information you might find useful if you are looking for friends or should encounter anti-semitic or anti Israel activity on your campus.
