HOLIDAY GREETINGS
It is a tradition for our chapter to collect a $5 donation for printing your name in our bulletin for Rosh Hashanah Greetings and then again for Passover Greetings. To facilitate handling of the lists of names as well as solicitations, we are asking for a one-time $10 donation, to cover entries in both lists. Claire Lazar will be chairing this effort and will begin collecting in June. If you are interested, place your check and PRINT your name as you would like it to appear, in Lock Box #19, or mail to: Greenbriar at Whittingham, 100 Whittingham Drive, Monroe Township, NJ 08831, Attn: Lock Box #19- Holiday Greetings
Shalom:
The very foundation of Hadassah is a commitment to the pursuit of education: knowledge of our Jewish history and religion and an awareness of current events. It is this underlying commitment and dedication that has led our predecessors to the development of our many humanitarian projects, both here and in Israel.

On Monday May 2nd we attended an evening with StandWithUs, led by Avi Posnick, Northeast director and Ferne Hassan, Associate Director, Philadelphia Chapter. They discussed the BDS (boycott, divestment and sanctions) movement and the anti-Israel propaganda on the college campuses. Avi stressed how important it is to educate our young people, even prior to their attending college. Their information is designed to help youth effectively deal with these situations with the true facts and make informed decisions now and in the future. In this effort to educate, StandWithUs has developed curriculum and an organizational structure, they are reaching out to groups like Hadassah to work with them.

We in Alisa Hadassah are leaders in the Region in our efforts to reach out to our grandchildren in college, ”From Grandma with Love” is up for an award from National, Thanks to Rhoda Juskow and Arlene Lazar, who sent out 35 packages before Passover. We must not stop. The anti-Israel, anti-Semitic propaganda is relentless, and without information and support we cannot assume that the younger generation will reject this propaganda.

“All that is necessary for the triumph of evil is for good people to do nothing.” Edmund Burke

Thank you to all who helped set up and clean up on Monday. I am so proud of our chapter for our united, unprecedented step forward in this area.

Joanne Ferstan

Who Will Say Kaddish?  ...  Hadassah’s Perpetual Yahrzeit Program
Established many years ago this program makes it possible to have Kaddish recited for your loved
one at the beautiful Synagogue with the Chagall windows in the Hadassah Hospital at Ein Kerem, Jerusalem. Your $1000.00 donation ensures that the designated Yahrzeit date will be observed in perpetuity. How fitting that we can assuage our grief and pay tribute to the future.

Hadassah has recently extended this program. For a one time donation of $5000 you can now have Kaddish recited everyday for the first year of mourning and then observed in perpetuity on the specified Yahrzeit date.

For more information on this program please contact Dolores Rosenaard. 609-860-1981.
